

TRADE CASH CARD APPLICATION FORM

Please complete all sections in **BLOCK CAPITALS** and in blue or black ink

Collier and Catchpole offers a Trade Cash Card to bona fide trade customers (i.e. those who use building materials in the course of their everyday work or are self-build customers). Production of this card ensures that the relevant trade discounts are applied on qualifying items, but excludes any special offers. The Trade Cash Card does not entitle the customer to purchase items on credit.

To apply, please complete the form below. In addition, trade customers need to enclose a company letterhead and/or business card and self-build customers need to supply a valid planning reference number.

Please note:

- The Trade Cash Card does not entitle the user to credit facilities. All transactions must be paid for at the point of sale.
- The Trade Cash Card can only be used by the authorised cardholder and is not transferable under any circumstances.
- The Trade Cash Card must be produced at the point of sale prior to commencing the transaction.
- If you request a quotation, always ensure you make the sales staff aware that you have a Trade Cash Card so that the discounted price can be included in the quote.
- In the event that your account falls dormant for more than a year or your spend falls below an appropriate level, we reserve the right to close the account.
